

Application No.: 10/828,308

Docket No.: R2184.0311/P311

**AMENDMENTS TO SPECIFICATION**

Rewrite the paragraph beginning on page 13, line 22, as follows:

A feature index is assigned to each search keyword to ~~indicated~~ indicate the extent to which the search keyword has contributed to the retrieval of documents. The document output unit 24 determines the manner in which the search keyword is to be displayed in accordance with the feature index, and displays the search keywords in the respective determined manners.
